CASE NO. C17-441-MJP-JPD

STIPULATED MOTION AND  
ORDER FOR AN EXTENSION

Note on Motion Calendar:

February 5, 2018

**JOINT STIPULATION**

The parties stipulate and agree that the parties may have a thirty-day extension to file any objections to the Report and Recommendation issued on January 17, 2018 (Dkt. #27). Pursuant to that Report and Recommendation, objections are due by February 7, 2018. If the extension were granted, the parties would file their objections by March 9, 2018.

<sup>1</sup> Kirstjen Nielson has been sworn in as Secretary of the United States Department of Homeland Security. Pursuant to Fed. R. Civ. P. 25(d), she is automatically substituted for Elaine Duke as the proper party in her official capacity.

1           Good cause exists for this extension. The parties are attempting to resolve this matter  
2 without further involvement from the Court, thereby saving the parties' and the Court's  
3 resources. The parties are attempting to agree on the appropriate accommodation to provide to  
4 plaintiff in light of his circumstances. The parties need additional time to resolve that issue.  
5 The parties are also working cooperatively to attempt to resolve the amount of attorney's fees  
6 plaintiff is due. The parties seek to avoid the expenditure of additional time and government  
7 resources that would result if the parties must write and file their objections while simultaneously  
8 trying to resolve those matters.  
9

10  
11           Accordingly, the parties request an extension until March 9, 2018 to file any objections to  
12 the Report and Recommendation.
